

JAPAN 2009

An International Comparison

Keizai Koho Center
Japan Institute for Social and Economic Affairs

The Keizai Koho Center has published a pocket-sized, English-language international statistical comparison booklet filled with the latest data related to Japan and the major countries of the world. This collection of data is comprised of 8 chapters, and is packed with 173 charts and graphs. The fields compared include the economy, trade, industry, energy, environment, social security, labor, education, and lifestyles of Japan and the nations of the world. The booklet is an excellent resource for ascertaining the trends of the world, as well as those of Japan within the world.
